

Why the Globals?

The Globals is an online platform designed to support learners in improving and using their English by learning the UNDP Sustainable Development Goals that allows learners to think, discuss and create solutions to global issues.

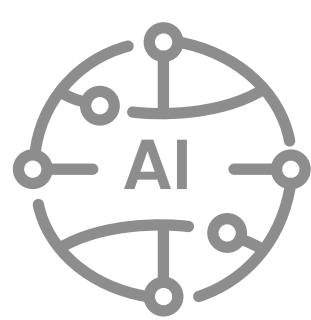

It aims not only to practice English but also create awareness through the global point of view to build a better world.

- Aligned with Saudi Vision 2030
- Aligned with the United Nations' 17 Sustainable Development Goals

- ✓ Builds Global Citizenship aligned with Saudi 2030 vision
- ✓ Encourages critical thinking & real-world problem solving skills
- ✓ Promotes Interdisciplinary Learning (holistic approach)
- ✓ Provides Social and Emotional Impact
- ✓ Jupas (becoming a global activist for positive change by earning points & donating)
- ✓ Higher Order Thinking Questions
- ✓ Interactive and Engaging Learning
- ✓ Project Integration(per goal)
- ✓ English Language Focus (utilizing English as the medium for delivering educational content)
- ✓ Extra Printable Resources
- ✓ Learning Zone (for extra content & activities)

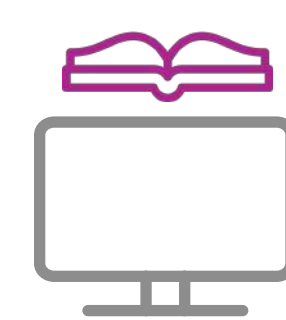

Feedback & Follow-up Tools:

The Globals AI (teacher and student tool)

Discussion Boards (forum-like-environment)

Digital Library (extended reading)

Reports (monitoring class and students' work)

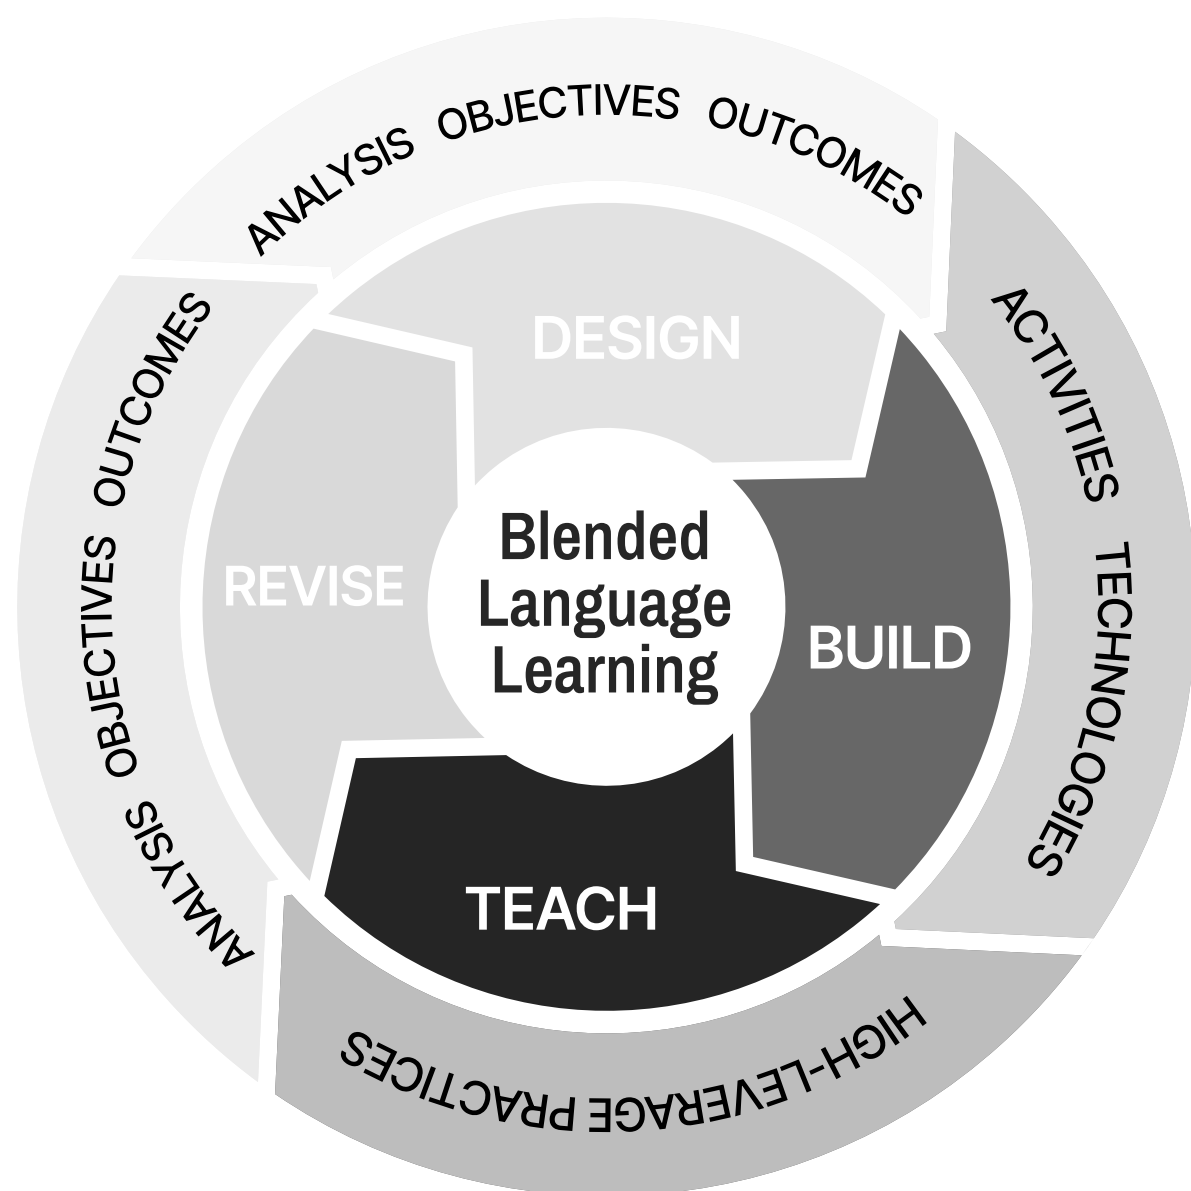

Challenges (quizzes & resources related to special event days)

Certificates (per goal)

Writing Skills Focus (feedback & trials provided)

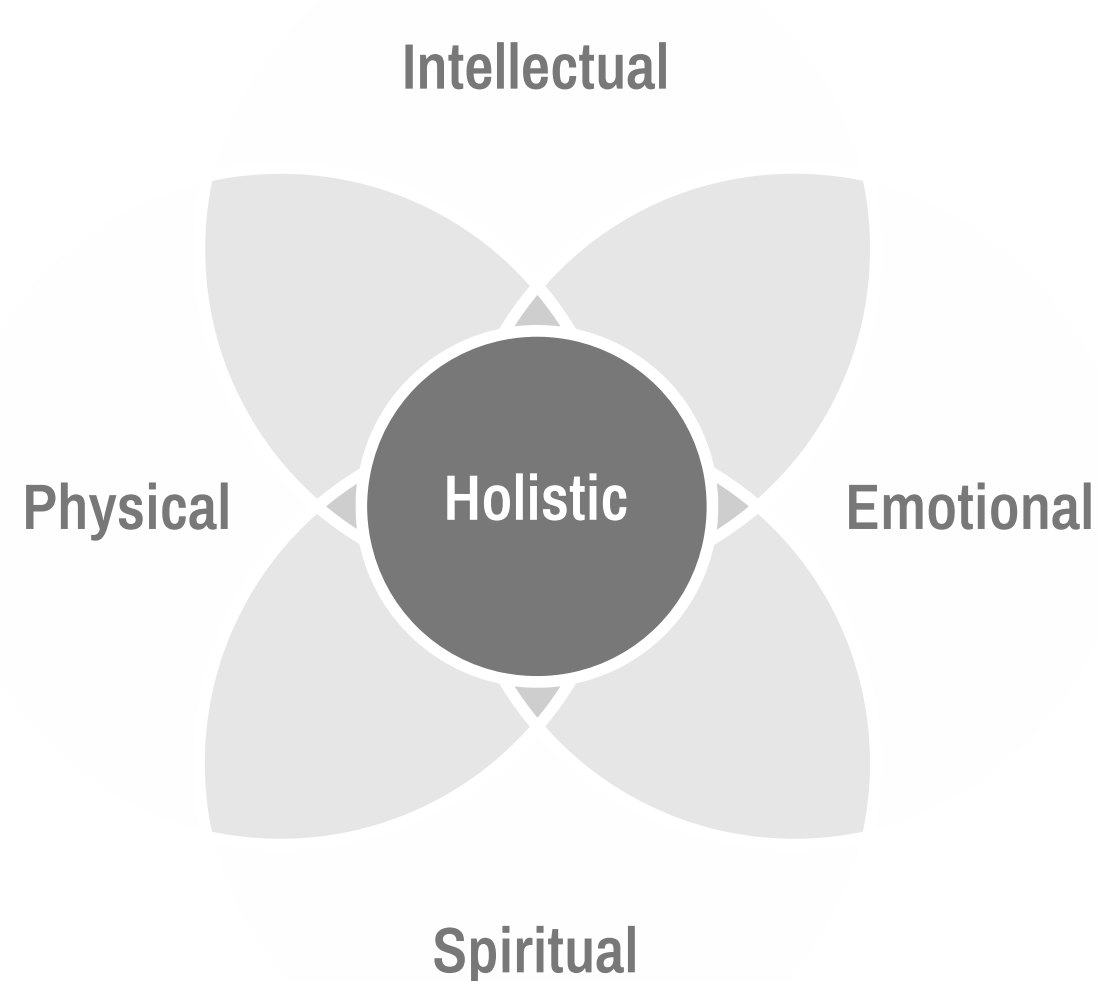

Blended Learning:

The Globals lets learners shape their path through flexible in-person and online learning.

Social & Emotional Learning:

Fosters empathy and action by addressing global issues locally and sharing solutions widely.

Holistic Approach:

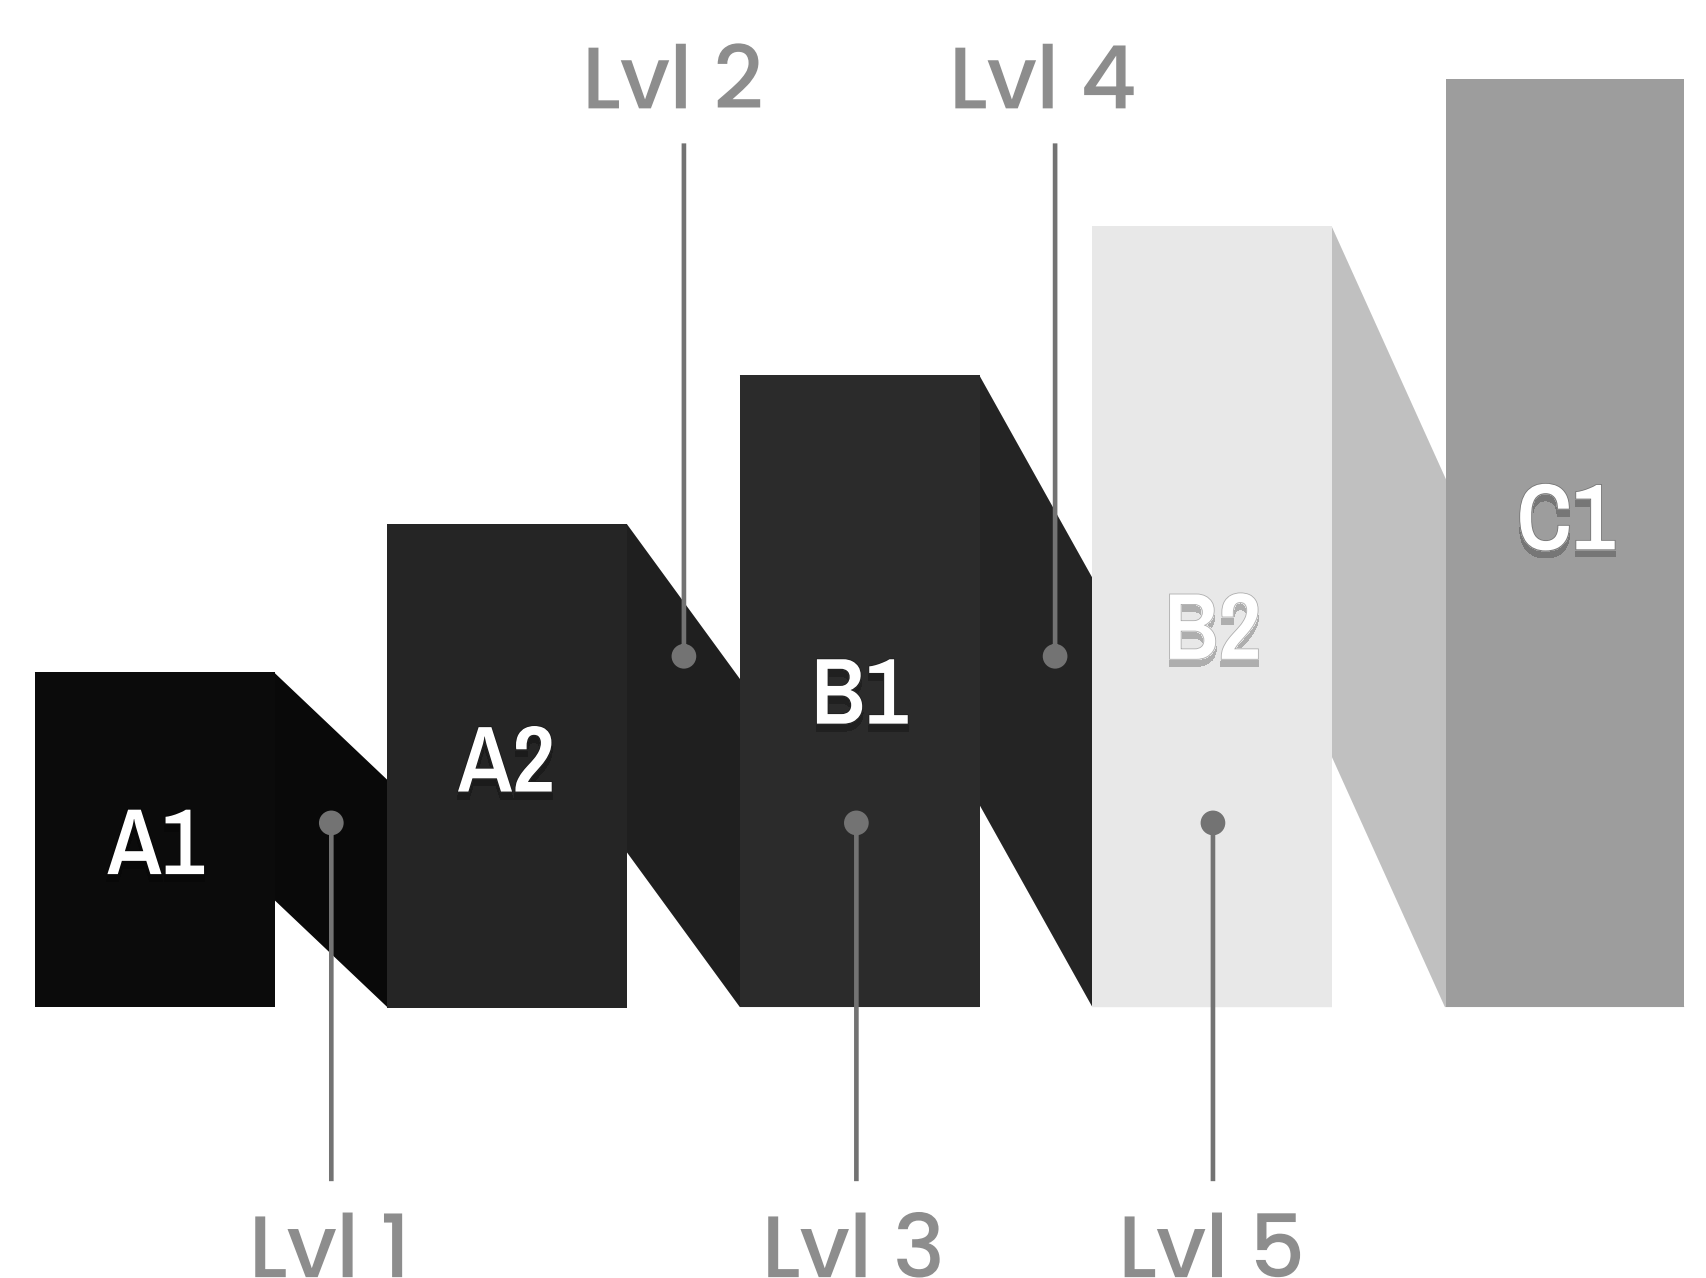

The Globals nurtures balanced growth—social, emotional, cognitive, and creative.

The Globals covers 5 Levels:

The Globals is a journey to learn, explore & make the world a better place for the future.

The Global focuses on global issues with emphasis on skills, reading, writing, listening and speaking.

Goals

Teachers can access the content of each Goal.

Assign Content

Teachers can assign Goals or sub-sections of the goals to the class.

The Globals AI

Teachers can create and assign SDG-based activities using The Globals AI.

Support Others

Students can donate —Health, Food, or Education items—using collected Jupas.

Discussions

Teachers can start discussions and let students post in a forum-style space.

Leaderboards

The teacher can see class, school or global rankings.

Reports

Teachers can track progress, review work, and award points to students.

Resources

Teachers can access extra printable resources based on each SDG.

Ask for Help

Log out

Each Goal is split into 8 sections:

Dive In:

Brainstorm & gather background knowledge

Explain:

Introduce the goal briefly

Watch:

See a real-world video related to the goal

Check:

Recap what has been experienced so far

Read:

Study a reading text focusing on the sub-topic of the goal

Write:

Produce a piece of text to express views on the goal

Listen:

Hear an audio piece related to the sub-topic of the goal

Act:

Take what's been learnt and put it into real-life action
